STAT

In an effort to accomplish a general reduction in our staff, we have limited our recruitment activity in recent years to junior levels with only a few exceptions. However, we would want to do some very careful checking on our exact needs at the present before commenting on the possibility of an opportunity more in keeping with Mr. [redacted] excellent background. We are writing to him to let him know that he is under consideration and shall follow up with a more definite indication of the possibilities for him a little later. A copy of our letter to him is enclosed.
